

Sometimes it takes a village.

Join the UF Health breast cancer support group.

You are not alone.

Breast cancer patients, survivors and their families and friends are welcomed to attend. Participants will learn from and support others who have been affected by breast cancer during open discussions on topics such as the “new normal” of living beyond treatment, managing the anxiety and fear of recurrence, family and friend relationships, and talking to your children about your cancer and treatments.

The support group is facilitated by Pam Clevenger, RN, the UF Health Breast Center’s nurse navigator and a two-time breast cancer survivor.

When?

6 p.m. - 7 p.m., the third Wednesday of every month

Where?

UF Health Shands Cancer Hospital
Room 8011, eighth floor
1500 SW Archer Rd., Gainesville, FL 32608
