Sealant Action Team

Christina Vracar, DA, MPH
Sealant Action Team Co-Chair

Elizabeth Orr, DDS
Sealant Action Team Co-Chair

August 21, 2015

What is the Sealant Action Team

- Developed by Oral Health Florida in 2011
- Promote cost efficient workforce models of preventive dental care
- Consists of County Health Departments, Federally Qualified Health Centers, and Volunteer Networks

August 21, 2015

What do we do?

- Host monthly conference calls with guest speakers to provide information, technical assistance, and updated techniques for sealant application.
- Collect data annually
- Provides a website with shared forms that are used in various sealant programs
- Provides a support network of individuals who can help answer questions
