Oral Health Florida Sustainability

- Started this meeting with about \$9,000 in the bank.
- Florida Public Health Association is now our fiscal agent.
- University of Florida College of Dentistry is sponsoring website and communications.
- And now, for a nice surprise- HRSA funding.
- Change in Leadership- Tami Miller will take over as Chair of Leadership Council after today's meetings. Election of new Vice Chair at LC meeting later today.

Oral Health Florida Next Steps

- Leadership Council will focus on bringing in new members and organizations to OHF who can help implement and support the Road Map
- Leadership Council will hold several face-to-face meetings, probably with a facilitator, to determine best ways to reorganize, disposition of Action Teams, and promote widespread acceptance and implementation of the Road Map.
