KID Dental Clinic

Brush your teeth at least two times every day. Spend at least three minutes every time

Use a soft tooth brush. Brush in a circular motion being sure to roll the toothbrush away from the gum line.

Brush the backs of your teeth, gently brush your gums.

To prevent tooth decay and learn how to take care of your teeth, visit a dentist two times a year.

Ask your pediatrician for an oral health exam and preventive treatment for your child.

What else you should know

If you or your child has Medicaid, call the Medicaid Area 9 Office at 561-616-5255 for more information about making an appointment.

Drinking or eating something with sugar in it gives plaque bugs 20 minutes to make cavities in your teeth. Choose water, fruit and vegetables instead.
