Travel Expense Reimbursements

The University will only reimburse a traveler for a travel expense that is paid for with personal funds (cash, check or personal credit card). For example, the University will not reimburse a traveler for an expense that is paid for by the use of reward points (sky miles, motel reward points, credit card reward points, etc.). These are considered personal use items and may not be used for business related travel. The University will also not reimburse a traveler for the value of complimentary travel expense.
